

Join our upcoming capacity building programme of workshops, masterclasses, mentoring, and connection spaces designed to help Oak grantees build skills, share learning and strengthen impact across housing and homelessness.

SMK

Campaign Carousel | Sep 2026

A series of 4 core and 5 optional workshops designed to help you build and strengthen your campaigning skills.

Explore the full programme on [our webpage](#), choose the sessions that suit you, and [sign up here](#)

Mini Campaign Carousel | Sep 2026

Similar to the full Campaign Carousel, this mini version combines three core and two optional workshops, offering a flexible way to build campaigning skills if you cannot commit to the full nine-session programme.

Explore the full programme on [our webpage](#), choose the sessions that suit you, and [sign up here](#)

Open Workshops | Sep-Nov 2026

Prefer to attend specific sessions only? You can join individual workshops without committing to the full carousel.

[Browse available sessions here](#) and sign up for the ones most relevant to you by [filling out this form](#).

In person and online connect day

Join our online and in person connect days for shared learning, meaningful conversations, collaborations and connection.

Engage with peers, explore common challenges, and identify opportunities for collaboration.

Strategy & coaching support

This is a flexible offer of support to help you move forward with live campaign challenges. It may include:

Strategy Sessions: These will be facilitated group sessions focused on real-time campaign challenges.

Campaign peer coaching group : Work through real campaign challenges with a small group, using structured peer coaching and facilitation

Specialist support (when needed): Additional coaching or mentoring for more complex or specific challenges

[Please click here to book a quick discussion with us and make the most out of this offer](#)

Sessions for teams and organisations

These are Flexible half-day workshops and can be tailored to your organisation and team needs. Any of the following workshops can be adapted for your group.

- Introduction to campaigning and social change
- Analysing the problem and planning for change
- The resilient campaigner
- How to develop effective campaign strategies
- Theory of Change
- Digital campaigning [Sign up here](#) for a session for your organisation

Spaces are limited, so we encourage you to sign up as soon as possible.

Deadline to register 24th August 2026, For any questions, please contact: sana.naz@smk.org.uk
